

# Compassionate Cure for Cancer®

*I have joined Ani Kaspar,  
humanitarian and breast cancer thriver,  
along with millions of  
vibrant voices calling for change.*

*I invite you, the world medical and scientific community,  
to deliver compassionate care for cancer and to find a  
compassionate cure for cancer NOW!*

*I invite you to end the suffering of a cancer patient today.  
I know you will accept this invitation of compassion.  
I have.*

*Thank you*
